**2005 Local Chapter Activities:**

The chapter hosted eight events during 2005: four presentation meetings, two plant tours, and two social events.

Business meetings with presentations were in January, April, September and November. At the September meeting, three NCSU students previewed presentations delivered at the HFES national conference in Orlando. Each received a stipend from the chapter for travel expenses to Orlando.

Our chapter combined with local chapters of the Society of Manufacturing Engineers and the Institute of Industrial Engineers for two local plant tours during March and May. Tours were at Morris Associates, a refrigeration equipment manufacturer, and at EMC, an electronics equipment manufacturer.

The social events included a summer picnic in July and a holiday social in December.

In December, notable publicity on local television was received by one chapter member and several NCSU student members for research on cell phone usage while driving

Membership grew from 37 to 39 during 2005.
