2006 Local Chapter Activities:

The chapter hosted six events during 2006: four business/presentation meetings and two social events. Business meetings with presentations were in March, May, October and November.

At the March meeting, Astronaut Nancy Currie spoke on challenges of working on robotic systems. In May, Neil Ganey talked about task demands on military threat assessment. At the October meeting, three NCSU students previewed presentations delivered at the HFES Annual Meeting. Each received a stipend from the chapter for travel expenses to HFES. In November, voice authentication acceptance was addressed by Carl Turner.

We also co-hosted 4-5 other meetings with the NCSU HFES Student Chapter and the IIE Raleigh Chapter. The social events included a summer picnic in July and a holiday social in December. Membership grew from 39 to 46 during 2006.
