2007 Local Chapter Activities (150 words or fewer). Be sure to include descriptions of activities carried out by the chapter in observance of HFES National Ergonomics Month (October each year). Please include the full names and affiliations for each person named (e.g., guest speakers):

In 2007, we co-sponsored (with NC State HFES Student Chapter) talks by Prof. Henry Petroski of Duke University and Prof. Simon Hsiang of NC State. We also had a practice session for student presenters at HFES annual meeting, who were each awarded \$100. Refreshments were provided at all speaking events. We had three socials at local restaurants, twice at 42 Street Oyster Bar and once at Tir Na Nog (both in Raleigh, NC). In December, we had a holiday party in conjunction with IIE and SME local chapters at the University Club. And we joined with them to tour the Caterpillar manufacturing plant, Clayton, NC. We toured Duke University Medical Center's Human Simulation and Patient Safety Center. The year included 3 Executive Council meetings and several member meetings. We successfully revised the chapter's constitution/by-laws, with approvals from the chapter's Executive Council, members at large, and HFES Executive Council.

Membership Count

Number of full members: 62

Number of associates: 19 (students)

Total: 81
